

## COVID-19 assisted living facility visitation policy

### NO INDOOR VISITATION

Visitation for end-of life or companionate life situations may be requested with permission and precaution guidelines from the facility Administrator. This no-indoor visitation policy will remain in effect until the CDC or DQA Bureau of Assisted Living allow indoor visitation.

**CONTACTLESS DELIVERY** of items (meds, grocery, laundry, goodies, etc.) allowed at the specified locations, such as outside of main entry points (no lingering at these locations due to space at entry point).

### NEW: OUTDOOR VISITATION OPPORTUNITY

**Length of Visits:** No greater than 20 minutes

**Frequency of Visits:** Limit of 2 (two) visits per week based on time availability - No one under the age of 18.

**Group Size:** Limit of no more than 2 visitors. No animals will be permitted.

**Seating Arrangement:** Visitors must bring own lawn chairs

**Social Distancing:** Must maintain social distancing (6 feet or more)

**Masks:** Masks must be worn by all visitors and residents

**Visitor hours will be scheduled in advance by facility staff:** 10am - 7pm (exceptions available)

**Visitation Screening:** Visitors must undergo screening through a checkpoint.

### RULES FOR OUTDOOR VISITATION:

- Visitors must make arrangements by appointment
- Visitors must be screened and sanitize hands prior to visit
- Visitors are prohibited from handing any articles directly to resident
- Staff member will accompany resident during outside visit
- Residents and visitors must wear masks
- Residents must wash hands before and after the visit
- Visitors must maintain 6' or greater distance from resident
- Visit must be in designated marked locations
- Visitor will stay within marked area of 6'
- Visitors must use personal lawn chair, not facility outdoor furniture

This outdoor visitor opportunity may change due to state and federal recommendations, changes in COVID-19 status, volume of visitors as well as guest compliance.
